

**These changes are formatted so that they can be pasted into the 2022 Service Pistol Rule book.**

**4.1.1.6** .....

The maximum barrel length for both revolvers and pistols is 160mm.

**4.1.1.10** The maximum sight radius for revolvers shall be 220 mm. For semi-automatic pistols the foresight shall not project further forward than the muzzle.

**4.1.2.4.1** The size/shape of the grip must be such that it does not touch the ground when being fired in the prone position.

**7.7.14.5** If the pistol touches the ground when being fired in the prone position a ten-point penalty will apply for each shot so fired. All shots fired will be scored..

**7.7.24.2** Dropping of an unloaded pistol will incur a safety warning for the first occurrence. A second occurrence will incur a ten points penalty. Any further incurrance may result in disqualification from the match.

Note: This penalty does not apply during Preparation Time.
